

Herb Garden Shawl

This is my take on a simple all knit shawl. Essentially not much different than many others out there. The difference here is that the pattern has been modified to omit the point. Why? Because I don't like having a point trailing along behind me knocking objects off of low surfaces; I don't end up sitting on the end, making it easier to slip off; and, my favorite reason, it takes less yarn and less time.

Materials

3 skeins Lion Homespun
(the model pictured used the colorway - Herb Garden)
10.5 circular needle (use a long enough needle so that you can try on as you go.)

Cast on 50 sts

Row 1: Knit one row across (knit in tail)

Row 2: K 1, yo, k1, yo, k2tog; rep from across ending with either k2 to k1.

Row 3: K1, yo, knit to end and turn.

Repeat row 3 until there are 170 stitches on needle. (This is 1X and the fabric relaxes to about 40", making gauge about 4.25 stitches per inch. Use that measurement to adjust the pattern to your size.)

Bind off with size 13 needle or do a loose bind off as follows:
K2,* k2tog on right needle, k1; rep from * across.

That's it. A bit of simple TV knitting that will give you something to help take the chill off.
