**SHAWL:**

The shawl is worked from the one short side and across.

Cast on 164 stitches with circular needle size 4.5 mm and turquoise/blue. Knit 1 row from the wrong side. Insert 1 marker thread in the 2nd stitch on the row – seen from the right side.

Continue with garter stitch and STRIPES - see description above, and work as follows:

ROW 1 (from the right side): Knit 1, 1 yarn over, knit 1 (stitch with marker thread), 1 yarn over, work until there are 2 stitches left, knit 2 stitches together.

ROW 2 (from the wrong side): Knit 2 stitches together, knit to end of row, yarn overs are knitted to leave holes.

ROW 3 (from the right side): Work as far as the stitch with the marker thread, 1 yarn over, knit 1 (stitch with marker thread), 1 yarn over, work until there are 2 stitches left, knit 2 stitches together.

ROW 4 (from the wrong side): Knit 2 stitches together, knit to end of row, yarn overs are knitted to leave holes.

Repeat rows 3 and 4 upwards, continue with 1 yarn over on each side of the stitch with the marker thread and decreases at end of rows from the right side and beginning of rows from the wrong side. The number of stitches stays the same upwards. Continue until you have increased 80 times on each side of the marker thread = 164 stitches on needle (worked 160 rows).

ROW 1 (= from the right side): Cast off the first 10 stitches on the needle, work to the stitch with the marker thread, 1 yarn over, knit 1 (= stitch with the marker thread), 1 yarn over, work until there are 2 stitches left, knit 2 stitches together.

ROW 2 (from the wrong side): Knit 2 stitches together, work to end of row, yarn overs are knitted to leave holes = 154 stitches on needle.

ROW 3 (= from the right side): Work to the stitch with the marker thread, 1 yarn over, knit 1 (= stitch with the marker thread), 1 yarn over, work until there are 2 stitches left, knit 2 stitches together.

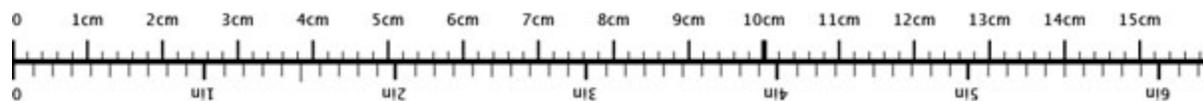

ROW 4 (from the wrong side): Knit 2 stitches together, work to end of row, yarn overs are knitted to leave holes = 154 stitches on needle.

ROWS 5-10: Work as for rows 3 and 4 = 154 stitches on needle

Repeat rows 1 to 10 upwards, you decrease 10 stitches every 10 rows.

Continue until there are 4 stitches left on needle, cast off these stitches. Cut and fasten the strands.

## Use me to measure your project!

To get the measurement tape to be 100 % accurate, you have to print out the pattern in full scale (and not use the print option "fit to page").
